

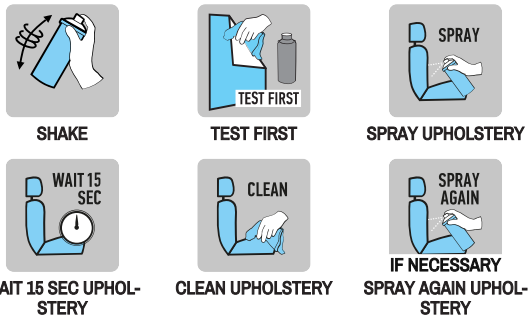
SPRAY UPHOLSTERY CLEANER



Maston Upholstery Cleaner is a detergent and cleaner for your car's upholstery, ceiling and floor mats. Its mild foam effectively removes stains and unpleasant odours, leaving a refreshing smell and antistatic surfaces. How to do it: Shake before use. Test effect on a small, inconspicuous section of upholstery before cleaning. Spray directly onto the part to be cleaned. Leave for approx. 15 seconds and wipe off with a damp cloth. For stubborn stains we recommend repeating the procedure: spray and rub vigorously with a cloth or a small brush.
