

## PRIMER 2K EPOXY GREY 720ML

**THEORETICAL COVERAGE**

**VERY HARD SURFACE**

**GLOSSY FINISH SURFACE**

**WEATHER-PROOF**

Maston 2K Epoxy Primer Grey is specifically engineered for heavy and demanding users requiring top-tier performance. It provides exceptional adhesion and protection for steel surfaces, including acid-resistant steel, zinc, and aluminum.

This robust 2-component primer forms a highly resilient barrier, capable of withstanding intense wear, oil, grease, solvents, and harsh chemicals. Designed to deliver unmatched durability, it ensures your projects have a strong foundation, making it the ultimate choice for users who demand unparalleled resistance against corrosion. The Epoxy Primer needs to be used with Maston 2K Epoxy Primer hardener. Use a degreaser for cleaning. Apply a maximum of 2 coats. The temperature of the object and the air must be above +10°C. Stir the paint thoroughly before use.
