

H2O! WATER-BASED PAINT

THEORETICAL COVERAGE

NO SMELL

EASY TO CLEAN

NO RUN DOWN SURFACE

Maston H2O! is a quick-drying, water-soluble paint crafted for versatile applications. Its odorless and safe-to-use formula makes it a convenient and family-friendly choice. Perfect for wooden surfaces, it delivers excellent coverage and a smooth finish on indoor furniture and outdoor decking alike. The paint also adheres seamlessly to metal, offering dependable protection and aesthetic appeal. With Maston H2O!, achieving a high-quality finish is effortless due to its exceptional leveling on any surface.

FOR OPTIMUM RESULTS: observe the following instructions to obtain a resilient hard-wearing surface. Clean the surface to be treated of any grease and dirt. Polish/sand uneven surfaces before treatment and remove any resulting dust carefully. Stir the paint properly before use!

Test the suitability of the paint on a surface treated earlier. Upon painting metal in outdoor conditions, use Maston H2O as a primer! The paint could be applied using a brush, roller or spray.

The product must not freeze.
