Universal Repair Putty – Smooth, Fill, and Perfect Any Surface. Easy-to-use putty for smoothing small holes, cracks, and irregularities on untreated surfaces. Also suitable for use in humid rooms, such as bathrooms. The putty can be sanded and painted over, making it perfect for seamless repairs.

Designed for wood, laminate, and stained surfaces, this putty blends effortlessly with your existing finish. Choose from a range of ready-made colors, or mix different shades to create a custom match—giving you endless possibilities for a flawless repair, no matter the surface tone.

Features an accurate application nozzle for controlled and precise filling of smaller damages.

Dries quickly—touch-dry in about 15 minutes. Indicative drying time is approximately 2mm per hour, depending on the size, depth, and drying conditions of the treated area.

Customizable colors—mix shades to perfectly match your surface.

Durable and long-lasting results for all your indoor repair needs.

For indoor use only. Do not allow to freeze. Keep out of reach of children.

**STORAGE STABILITY:** 12 months

### USAGE INSTRUCTIONS:

1. Preparation: Clean the holes from any impurities and sand if necessary – a clean and dry surface ensures the best adhesion. Do not sand laminate surfaces!
2. Application: Apply the putty with a spatula. If the holes are deep, apply multiple layers and allow each layer to dry before applying the next.
3. Storage: Keep the tube tightly sealed after use to ensure long-lasting quality.
