Maston Cut Oil is a friction-reducing cutting oil for metalworking. Allows steel and ferrous metals to be worked efficiently and economically. Also suitable for treating yellow metals and light alloys. Used in drilling, lathing, milling, thread cutting and sawing. How to do it: Spray onto object to be treated before working. Repeat treatment during longer working periods. Also available in 4 and 10 liter cans.

BINDER: Oil

STORAGE STABILITY: 60 months

SIZE: 400ml

SALES QTY:
400ml: 6 pcs
