

SPRAY PTFE DRY LUBRICANT

MINIJET NOZZLE

SPRAY DISTANCE

SAFETY GLOVES

PTFE Dry Lubricant is a high-quality grease-free dry lubricant. Quick-drying. Does not collect dust or dirt. Excellent adhesion to surfaces. Reduces wear and tear due to friction in moving parts. Suitable for eg. door and window tracks, slides, bearings and locks. Reduces wear and tear due to friction in moving parts. Suitable for wooden, metal, plastic, rubber, leather and textil surfaces. Does not only work as a rust protector but also dissolves rust. Does not contain silicone. Instructions: Surface must be clean, dry and free from grease. Shake can for at least 2 min. Also shake occasionally during use. Apply a thin, equal coat.
