

SPRAY TAR

EASY TO SPRAY

TECHNICAL 2 IN 1 NOZZLE

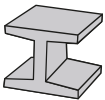

Maston Tar Spray Prevents effectively corrosion and screws, bolts and nuts to stuck. Excellent choice in working temperatures under +70°C. Applications: chassis nuts and bolts, wheel bolts, wheel discs, naves and hubs, spring assemblies, working machines, metal assemblies, conveyors and everywhere, where good antiseizing properties are needed. Not recommended in applications, where continuous contact with hydrocarbon solvents or with strong detergents takes place. Clean the nozzle after use, turn the bottle upside down and press the nozzle until only propellant comes out.
